

Alzheimer's Day of Prayer Sunday, November 14, 2010

Area churches are asked to participate in National Alzheimer's Disease Awareness Month by sharing a special prayer in their congregations.

Please commemorate National Alzheimer's Disease Awareness Month in a service, worship bulletin, or newsletter during November even if you have to do so on a date other than Sunday, November 14.

You may use the Alzheimer's Prayer attributed to Al Garfield or other appropriate prayers or words for your congregation.

"The Alzheimer's Prayer"

Dear Lord, We Pray:

for those who have died of Alzheimer's disease. . .

PEACE,

for those who are now victims of Alzheimer's disease. . .

DIGNITY AND COMFORT,

for the Alzheimer's disease caregivers. . .

COMPASSION AND PATIENCE,

for the Alzheimer's disease families. . .

STRENGTH AND COURAGE

**for those who seek the cause, cure,
prevention, and treatment of Alzheimer's disease. . .**

YOUR GUIDANCE AND DIRECTION,

for the HOPE YOU have given us . . .

OUR THANKS.

AMEN.
